(Technician Registration No. 19448))	

Sarah Emersen was issued Technician registration number 19448, by the North Carolina Board of Pharmacy on April 12, 2007.

Ms. Emersen admits that while employed as a pharmacy technician at CVS Pharmacy located on 189 Hickory Tree Road, Suite 120, Winston-Salem, North Carolina, she has committed acts that give the North Carolina Board Pharmacy sufficient cause to revoke her technician registration. Considering that, Ms. Emersen voluntarily surrenders her registration as a Pharmacy Technician in North Carolina.

Ms. Emersen waives any further findings with respect to this matter. The surrender of the registration is made voluntarily and without pressure, coercion, or the threat of force being made against her.

Ms. Emersen understands and accepts that she is not to be present in a pharmacy setting unless she has a valid prescription from a treating physician. Ms. Emersen also understands and accepts that she is not to work as a pharmacy technician in the state of North Carolina unless the registration is reinstated by the Board following a formal hearing.

Ms. Emersen understands and accepts that, at any point in the future, she may petition for reinstatement by submitting a request to the Board of Pharmacy, in writing. Upon a request for reinstatement, the Board will determine within sixty (60) days when it will schedule a hearing on the request for reinstatement. There is no presumption, guarantee or other implication intended within this document that the Board will reinstate the registration.

The decision will be made by the Board based on consideration of all available evidence presented at a formal hearing before the Board. The registration will not be returned until and unless the Board issues a reinstatement order after any formal hearing.
