(Technician Registration No. 15135))	

Steven Todd Newton was issued Technician Registration No. 15135, by the North Carolina Board of Pharmacy on January 5, 2006.

Mr. Newton admits that while employed with CVS Pharmacy, Permit No. 10802, located on 6050 South NC 16 Business Hwy, Denver, North Carolina, he has committed acts that give the North Carolina Board Pharmacy sufficient cause to revoke his technician registration. Considering that, Mr. Newton voluntarily surrenders his registration as a Pharmacy Technician in North Carolina.

Mr. Newton waives any further findings with respect to this matter. The surrender of the registration is made voluntarily and without pressure, coercion, or the threat of force being made against him.

Mr. Newton understands and accepts that he is not to be present in a pharmacy setting unless she has a valid prescription from a treating physician. Mr. Newton also understands and accepts that he is not to work as a pharmacy technician in the state of North Carolina unless the registration is reinstated by the Board following a formal hearing.

Mr. Newton understands and accepts that, at any point in the future, he may petition for reinstatement by submitting a request to the Board of Pharmacy, in writing. Upon a request for reinstatement, the Board will determine within sixty (60) days when it will schedule a hearing on the request for reinstatement. There is no presumption, guarantee or other implication intended

within this document that the Board will reinstate the registration. The decision will be made by the Board based on consideration of all available evidence presented at a formal hearing before the Board. The registration will not be returned until and unless the Board issues a reinstatement order after any formal hearing.
