

BEFORE THE NORTH CAROLINA BOARD OF PHARMACY

In the Matter of: )  
Jenise Smith ) VOLUNTARY SURRENDER  
Technician Registration No. 15611 ) OF TECHNICIAN  
REGISTRATION FOR CAUSE

Jenise Smith was issued registration number 15611 by the North Carolina Board of Pharmacy on February 6, 2006, such registration being active until December 31, 2010.

Jenise Smith admits that while being registered as a technician at Wal-Mart Pharmacy, located at 1725 New Hope Church Road, Raleigh, North Carolina, she committed acts that give the North Carolina Board of Pharmacy ("Board") sufficient cause to revoke her registration. Considering that, Ms. Smith voluntarily surrenders her registration as a Pharmacy Technician in North Carolina. The surrender of her registration is made voluntarily and without pressure, coercion, or threat of force being made against her. As a result of the voluntary surrender, Ms. Smith shall not be present in any pharmacy except as a customer with a valid prescription from a treating physician.

Ms. Smith understands and accepts that, at any point in the future, she may petition for reinstatement by submitting a request to the Board of Pharmacy, in writing. Upon a request for reinstatement, the Board will schedule a hearing at its convenience, which may or may not occur at the next regularly scheduled Board meeting following the request. There is no presumption, guarantee or other implication intended within this document that the Board will reinstate the registration. The decision will be made by the Board based on consideration of all available evidence presented at a formal hearing before the Board. The registration will not be returned until and unless she Board issues a reinstatement order after any formal shearing.

This the 15 day of February, 2010.
