VOLUNTARY SURRENDER
OF TECHNICIAN
REGISTRATION FOR CAUSE

Stacey Soldan was issued registration number 18523 by the North Carolina Board of Pharmacy on January 24, 2007, such registration being active until December 31, 2008.

Stacey Soldan admits that while being registered as a technician at CVS Pharmacy, located at 7205 Knightdale Blvd., Knightdale, North Carolina, she committed acts that give the North Carolina Board of Pharmacy ("Board") sufficient cause to revoke her registration. Considering that, Ms. Soldan voluntarily surrenders her registration as a Pharmacy Technician in North Carolina. The surrender of the registration is made voluntarily and without pressure, coercion, or the threat of force being made against her. As a result of the voluntary surrender, Ms. Soldan shall not be present in any pharmacy except as a customer with a valid prescription from a treating physician.

Ms. Soldan understands and accepts that, at any point in the future, she may petition for reinstatement by submitting a request to the Board of Pharmacy, in writing. Upon a request for reinstatement, the Board will schedule a hearing at its convenience, which may or may not occur at the next regularly scheduled Board meeting following the request. There is no presumption, guarantee or other implication intended within this document that the Board will reinstate the registration. The decision will be made by the Board based on consideration of all available evidence presented at a formal hearing before the Board. The registration will not be returned until and unless the Board issues a reinstatement order after any formal hearing.

This the 5th day of March, 2008.
