VOLUNTARY SURRENDER
OF LICENSE FOR CAUSE

Tera Jo Wood was issued Registration number 18119 by the North Carolina Board of Pharmacy on January 7, 2007.

Ms. Wood admits that while working as a Pharmacy Technician with Pender Memorial Hospital, Inc., permit #2290, located at 507 Freemont St Burgaw, North Carolina, she committed acts that give the Board sufficient cause to revoke her Technician Registration. Considering that, Ms. Wood voluntarily surrenders her Pharmacy Technician Registration in North Carolina.

Ms. Wood understands and accepts that her Technician Registration will not be returned until and unless the Board issues a Reinstatement Order. Ms. Wood shall not be present in a pharmacy except as a customer unless her Technician Registration is returned by the Board. There is no presumption, guarantee or other implication intended within this document that the Board will reinstate the Registration. There is no time limit established for this matter to be heard by the Board. The decision will be made by the Board based on consideration of all available evidence presented at a formal hearing before the Board.

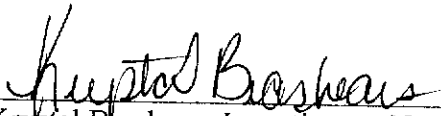

The surrender of the Technician Registration is made voluntarily and without pressure, coercion, or the threat of force being made against her.

This the 16th day of June, 2007.
