Pursuant to G.S. § 150B-3(c) and 21 N.C.A.C. 46.2006(b), the North Carolina Board of Pharmacy (“Board”), vis Members Gene Minton, Joseph McLaughlin, Jr., William Mixon, Carol Day, and Parker Chesson find that the protection of the public health, safety and welfare requires emergency action. Accordingly, the Board hereby Summarily Suspends Permit No. 08132 issued to Jabez Home Infusion Company (“Respondent Pharmacy”), effective immediately. Respondent Pharmacy shall immediately cease any practice of pharmacy in North Carolina pending issuance by the Board of a Final Agency Decision.

Respondent Pharmacy may request a hearing on the charges against the registration by submitting a written request within 60 days of service of this order, pursuant to 21 N.C.A.C. 46.2004. Within 60 days of receipt of a written request, the Board will issue a notice of hearing with respect to whether the summary suspension should be continued. That notice will advise Respondent Pharmacy of the date and time of the hearing, which will be set within the discretion of the Board. In the event that Respondent Pharmacy requests a hearing, this summary suspension remains in effect until the issuance of a further decision by the Board.

If Respondent Pharmacy does not request a hearing as set forth above, the Respondent Pharmacy waives the right to contest the Board’s decision and the suspension imposed upon the registration by this order. However, the Respondent Pharmacy retains the right to file a written petition for reinstatement of the registration at any time following this order.

The Board will set a hearing at a time and place within its discretion and will rule on the petition for reinstatement in its discretion under its duty to consider the public health, safety and welfare.
