CONSENT ORDER

THIS MATTER came on to be considered at a prehearing conference (hereinafter, "Conference") before a member of the North Carolina Board of Pharmacy (hereinafter, the "Board") pursuant to 21 N.C.A.C. 46 .2008. This Conference was scheduled for May 17, 2010, and, after appropriate notice, was heard on that day by Board member Dr. J. Parker Chesson, Jr. at the offices of the Board. Respondent Realo Discount Drugs (Permit No. 8436) (hereinafter, "Respondent") was present at the Conference, through its pharmacist-manager, Norman Lewis. Counsel Clinton R. Pinyan represented the Board. Members of the Board's investigative staff were also present at the Conference, as was a related respondent.

Respondent has agreed to waive a formal hearing in the above-referenced matter. Both parties stipulate and agree to the findings of fact and conclusions of law recited herein and to the order of discipline imposed. By its consent, Respondent also stipulates that it waives its right to appeal this Consent Order or challenge in any way the sufficiency of the findings of this Order. Based upon the consent of the parties, the Board hereby enters the following:

FINDINGS OF FACT

1. The North Carolina Board of Pharmacy is a body duly organized under the laws of North Carolina and is the proper body for this proceeding under the authority granted it in Chapter 90 of the General Statutes of North Carolina, and the rules and regulations promulgated thereunder.
