**CONSENT ORDER OF
DISCIPLINE**

THIS MATTER came on to be considered at a prehearing conference (hereinafter, "Conference") before a member of the North Carolina Board of Pharmacy (hereinafter, "Board") pursuant to 21 N.C.A.C. 46.2008. This Conference was scheduled for July 20, 2009 and, after appropriate notice, was heard on that day by Board member L. Stan Haywood at the offices the Board. The Respondent Robin James (License No. 17591) (hereinafter, "Respondent" or "James") was present and was represented by Counsel George Hearn. Counsel Sarah Phillips represented the Board. Members of the Board's investigative staff and other Board counsel were also present at the Conference.

Respondent has agreed to waive a formal hearing in the above-referenced matter. Both parties stipulate and agree to the findings of fact and conclusions of law recited herein and to the order of discipline imposed. By her consent, Respondent also stipulates that she waives her right to appeal this Consent Order or challenge in any way the sufficiency of the findings of this Order. Based upon the consent of the parties, the Board hereby enters the following:

FINDINGS OF FACT

1. The North Carolina Board of Pharmacy is a body duly organized under the laws of North Carolina and is the proper body for this proceeding under the authority granted it in Chapter 90 of the General Statutes of North Carolina, and the rules and regulations promulgated thereunder.

2. Respondent is, and was at all relevant times referred to herein, a pharmacist licensed to practice pharmacy in the State of North Carolina with License No. 17591. Respondent was at all relevant times referred to herein, the pharmacist-manager of CVS Pharmacy, Permit. No. 6548, located at 505 Smokey Park Highway, Asheville, North Carolina (the "Pharmacy"), although she was on leave from about May 2008 to September 2008. Respondent is and was, at all relevant times referenced to herein, subject to the rules and regulations of the North Carolina Board of Pharmacy and the laws of the State of North Carolina.

3. In or around December 2007, Respondent failed to timely notify the Board that she had become the pharmacist-manager of CVS. James testified that she had mailed the notification to the Board; however, the Board has no record of ever receiving the packet. James testified that she never followed up on the status of the change in pharmacist-manager, notwithstanding the fact that she knew or should have known that she did not receive a permit certificate listing James as pharmacist-manager. She should have followed up with the Board about the change in pharmacist-manager, but she did not do so.

4. On at least one occasion during 2008, Respondent scheduled more than two technicians to work under the supervision of one pharmacist without Board authorization. Respondent testified that she mailed a waiver request to the Board. However, the Board did not receive the request. No waiver was ever issued by the Board, and licensees and permit holders are not permitted to vary from the pharmacist-technician ratio unless and until they actually receive a waiver from the Board. The Board finds and concludes that it is unreasonable and unlawful for a licensee or permittee to permit more than two technicians to work under the supervision of one pharmacist, simply based on a pending waiver request. Respondent

acknowledges that, although CVS never received a waiver of the technician to pharmacist ratio from the Board, she still knowingly violated the statute.

5. During 2008, CVS and Respondent, as pharmacy manager, failed to display the current permit. When the investigator visited the store on October 23, 2008, no one knew where the 2008 permit was located and the current permit had not previously been displayed during 2008.

CONCLUSIONS OF LAW

1. All parties are properly before the Board, and the Board has jurisdiction over Respondent and the subject matter of this proceeding.

2. Respondent's conduct, as set out in the findings of fact above, constitutes grounds for discipline pursuant to N.C. Gen. Stat. § 90-85.38 because Respondent's acts were in violation of N.C. Gen. Stat. §§ 90-85.15A(c), 90-85-21(a), 90-85.23, 90-85.38(a)(6), (7) and (9), and 90-85.40(f); and 21 N.C.A.C. 46 .1601(e).

CONCLUSIONS REGARDING DISCIPLINE

Based upon the foregoing Findings of Fact and Conclusions of Law, and with the consent of Respondent, the Board enters the following:

CONSENT ORDER OF DISCIPLINE

1. Respondent Robin James' license to practice pharmacy (License No. 17591) is hereby suspended for seven (7) days. The suspension shall be stayed for a period of two (2) years. The stay is conditioned upon Respondent's compliance with the terms of this Consent Order. If at the end of the two (2) year period, Respondent has violated no terms of this Consent Order, Respondent shall not be required to serve the seven (7) day suspension;

2. Respondent shall violate no laws governing the practice of Pharmacy or the distribution of drugs;
3. Respondent shall violate no rules and regulations of the Board;
4. If Respondent fails to comply with the terms or conditions of this Consent Order, Respondent may be subject to additional disciplinary action by the Board.

This the 15th day of September, 2009.
