**MODIFICATION OF
ORDER REINSTATING LICENSE**

THIS MATTER was heard on March 15, 2016, by the North Carolina Board of Pharmacy (“Board”) located at 6015 Farrington Road, Suite 201, Chapel Hill, North Carolina, upon the request of Ryan Scott Mills (“Petitioner”) for the Board to modify an Order Reinstating License. Board members Mixon, Day, McLaughlin, Minton, Graves, and Haywood heard this matter. After hearing the testimony of witnesses, adjudging the credibility of the witnesses, and receiving evidence, the Board makes the following:

FINDINGS OF FACT

1. On March 15, 2011, the Board issued an Order Reinstating License With Conditions (the “2011 Order”) to Petitioner, who holds North Carolina pharmacist license number 19259.
2. The 2011 Order placed certain conditions on Petitioner’s license to practice pharmacy.
3. On July 15, 2014, the Board modified the 2011 Order to lift the prohibition on Petitioner serving as a preceptor of pharmacy students.
4. Petitioner requests that the Board further modify the 2011 Order to lift the prohibition on Petitioner serving as a pharmacist manager.
5. On March 15, 2016, Petitioner successfully completed his treatment and monitoring agreement, which was initially overseen by the North Carolina

Pharmacist Recovery Network and more recently overseen by the North Carolina Physicians Health Program (“NCPHP”).

6. NCPHP supports this modification of Petitioner’s 2011 Order.
7. The Board has received no complaint concerning Petitioner’s practice as a pharmacist since his license was reinstated by the 2011 Order.

CONCLUSIONS OF LAW

Petitioner has demonstrated that, with additional modification to the 2011 Order, he will continue to practice pharmacy with reasonable care, safety, and competence.

IT IS THEREFORE ORDERED that Petitioner’s 2011 Order is amended to lift the condition that he not serve as a pharmacist-manager.

This is the 15th day of March, 2016.
