BEFORE THE NORTH CAROLINA BOARD OF PHARMACY

In the Matter of:  
Christopher Austin Parker
License No. 16210

VOLUNTARY SURRENDER
OF LICENSE FOR CAUSE

Christopher Austin Parker was issued license number 16210 by the North Carolina Board of Pharmacy on January 16, 2002, such license being active until December 31, 2013.

Mr. Parker voluntarily surrenders his license to practice pharmacy in North Carolina. The surrender of the license is made voluntarily and without pressure, coercion, or the threat of force being made against him. As a result of the voluntary surrender, Mr. Parker shall not be present in any North Carolina pharmacy in any capacity other than as a customer/patient, with a valid prescription from a treating physician, unless and until the Board issues any further order.

Mr. Parker understands and accepts that, at any point in the future, he may petition for reinstatement by submitting a request to the Board of Pharmacy, in writing. Upon a request for reinstatement, the Board will determine within sixty (60) days when it will schedule a hearing on the request for reinstatement. That hearing will be scheduled at the Board’s discretion. There is no presumption, guarantee or other implication intended within this document that the Board will reinstate the license.

The decision will be made by the Board based on consideration of all available evidence presented at a formal hearing before the Board. The license will not be returned until and unless the Board issues a reinstatement order after any formal hearing.
This the 10th day of January, 2013.
