) VOLUNTARY SURRENDER
Scott Wayne Savage ) OF LICENSE FOR CAUSE
License No. 16486 )

Scott Wayne Savage was issued license number 16486 by the North Carolina Board of Pharmacy on June 28, 2002, such license being active until December 31, 2008.

Mr. Savage admits that while working as a licensed pharmacist with WakeMed Raleigh Campus pharmacy, 3000 New Bern Avenue, Raleigh, North Carolina 27610, he committed acts that give the Board sufficient cause to revoke his license to practice pharmacy in North Carolina.

Considering that, Mr. Savage voluntarily surrenders his license to practice pharmacy in North Carolina. The surrender of the license is made voluntarily and without pressure, coercion, or the threat of force being made against him. As a result of the voluntary surrender, Mr. Savage shall not be present in any pharmacy in any capacity other than as a customer/patient, with a valid prescription from a treating physician, unless and until the Board issues any further order.

Mr. Savage understands and accepts that, at any point in the future, he may petition for reinstatement by submitting a request to the Board of Pharmacy, in writing. Upon a request for reinstatement, the Board will determine within 60 days when it will schedule a hearing on the request for reinstatement. That hearing will be scheduled at the Board’s discretion. There is no presumption, guarantee or other implication intended within this document that the Board will reinstate the license. The decision will be made by the Board based on consideration of all available evidence presented at a formal hearing before the Board. The license will not be returned until and unless the Board issues a reinstatement order after any formal hearing.

This the 8th day of February, 2008.
