The North Carolina Board of Pharmacy's mission is to protect the public health, safety and welfare in pharmaceutical matters. The Board sets standards for academic and practical experience programs prior to licensure, issues permits to operate pharmacies and DME facilities, and annually renews licenses, permits and registrations.

~Sets standards for academic and practical experience programs prior to licensure.

~Issues licenses for pharmacists and registers technicians, dispensing physicians, Physician Assistants, and Nurse Practitioners. Also, issues permits for Pharmacies and Device and Medical Equipment (DME) dispensing facilities.

~The Board renews licenses, registrations, and permits annually.

~Inspects pharmacies and investigates complaints that may involve violations of the state Pharmacy Practice Act or laws governing the distributions of pharmaceuticals and takes appropriate action when deemed necessary.

~The Board also issues rules pertaining to the practice of pharmacy and regulation of pharmacy permits; holds disciplinary hearings for violations of the laws governing the practice of pharmacy and distribution of drugs and DME.
