Reinstatement Hearing – RPh. Robert R. Broyles, License #11951

Robert R. Broyles, license #11951, appeared before the Board to request reinstatement of his pharmacist license. Mr. Broyles voluntarily surrendered his license August 5, 2008 for diversion of controlled substances. Mr. Campbell proceeded with the case and stated that Mr. Broyles appeared before the Board at the September 2009 meeting to request reinstatement of his pharmacist license which was denied. The Board stated at that time that he could not reappear before the Board to request reinstatement until July 2011. Mr. Campbell outlined Mr. Broyles’ lengthy history of drug and alcohol abuse, diversion of controlled substances, and four (4) arrests for driving under the influence. Mr. Broyles also has a lengthy history with the Board of having his license suspended or surrendered and having it reinstated by the Board after going into treatment for his addictions. Mr. Broyles, duly sworn, spoke on his own behalf and on his recovery progress since the September 2009 meeting. Mary Christine Clark, NCPRN, duly sworn, testified on Mr. Broyles behalf and stated that NCPRN advocates for his reinstatement with appropriate conditions. Dr. Ginny Mills, duly sworn, testified on Mr. Broyles behalf and gave testimony on his current therapy.
After presentation of evidence and testimony, the Board moved into closed session to deliberate the matter on a motion from Mr. Minton, seconded by Dr. Chesson with not dissenting votes. Consideration of Internship Hours – Satyen Desai

Satyen Desai appeared before the Board in consideration of his internship hours. Mr. Desai is a licensed pharmacist from Michigan who submitted an application to be licensed in North Carolina by score transfer. The NC Board of Pharmacy requires 1,500 hours of internship practical experience while Michigan requires 1,000 hours for licensure. Mr. Desai requested that the Board allow his internship hours and work experience to fulfill his 1,500 hours internship requirement for licensure since he has been a practicing pharmacist in Michigan with more than 500 hours of practice experience. After discussion, on a motion from Mrs. Chater, seconded by Dr. Chesson with no dissenting votes, the Board deemed Mr. Desai combination of internship hours and work experience as a pharmacist sufficient to satisfy the 1,500 experiential hour prerequisite to licensure in North Carolina.

Reinstatement Hearing – RPh. Wendy Toler, License #11463

Wendy, Toler, license #11463, appeared before the Board to request reinstatement of her pharmacy license. Ms. Toler has been out of pharmacy practice since 2005 and per Board policy she would be required to obtain 1500 hours experience and pass the NAPLEX and the Multistate
Jurisprudence Exam (MPJE) in order to reinstate her pharmacist license. Ms. Toler requested a variance from that policy to obtain 250 hours internship or less. Ms. Toler spoke to the Board on her background in clinical pharmacy and the advanced degree in pharmacy she received in 2008. On a motion from Mr. Minton, seconded by Mrs. Chater with not dissenting votes, the Board moved into closed session to deliberate the matter. After open session resumed, Dr. Dennis stated that on a motion form Mrs. Chater, seconded by Mr. Minton with no dissenting votes, the Board would allow Mrs. Toler to continue with the reinstatement process after completing 250 hours internship and passing the MPJE.

Reinstatement Hearing – RPh. Luke Marion, License #06805

Luke Marion, license #06805, appeared before the Board to request reinstatement of his pharmacist license. Mr. Campbell proceeded with the case and stated that Mr. Marion voluntarily surrendered his license in April 2010 after diverting controlled substances for personal use. Mr. Marion also admitted to falsifying continuing education (CE) credits by copying course numbers from another pharmacist’s CE certificates and entering them as his own. Mr. Campbell stated that Mr. Marion was charged criminally for the diversion and entered into a deferred prosecution agreement, which he has completed successfully. Mr. Marion, duly sworn, testified on his addiction and his progress in recovery. Mary Christine Parks, NCPRN, duly sworn, testified on Mr. Marion recovery progress and stated that NCPRN advocates for Mr. Marion’s return to the practice of pharmacy with appropriate conditions.

On a motion from Dr. Chesson, seconded by Mrs. Chater with no dissenting votes, the Board moved into closed session to deliberate the matter. Open session resumed on a motion from Dr. Chesson, seconded by Mr. Marks with not dissenting votes. Dr. Dennis stated that on a motion from Mr. Minton, seconded by Dr. Chesson with no dissenting votes, the Board moved to reinstate Mr. Marion’s pharmacist license with conditions.

A copy of the Order Reinstating License with Conditions can be found elsewhere in the Minutes and is incorporated by reference herein.

Consideration of Reciprocity Application – RPh. Michael Shane Miller

Michael Shane Miller appeared before the Board to request that his reciprocity application be approved. Mr. Miller submitted an application to the Board to reciprocate his pharmacist license from Virginia. Mr. Miller disclosed on his application that he has been disciplined by the Virginia Board of Pharmacy four times.

On a motion from Dr. Chesson, seconded by Mrs. Chater with no dissenting votes, the Board moved into closed session to deliberate the matter. When open session resumed, Dr. Dennis stated that on a motion from Mr. Minton, seconded by Dr. Chesson with no dissenting votes, the Board denied Mr. Miller’s application for reciprocity and per Board policy may not reapply for one year.

A copy of the Order Denying Reciprocity can be found elsewhere in the Minutes and is incorporated by reference herein.

Open Mike

Mr. Campbell presented a proposed order for medical countermeasures dispensing and distribution conducted by the North Carolina Public Health Preparedness and Response, North Carolina local health departments and the Eastern Band of the Cherokee Indians in time of declared emergency. On a motion from Mrs. Chater, seconded by Mr. Minton with no dissenting votes, the Board moved to approve the proposed order.

A copy of this order is attached to these Minutes and incorporated herein.

**Amending Prescription Label Requirements – RPh. Martin Konopko**

RPh. Martin Konopko appeared before the Board concerning removing the requirement on prescription labels to have “filled by” or “dispensing by” printed on the labels. Mr. Campbell stated that it would require a rule change to remove the requirement. After discussion, the Board decided to take the matter under advisement.

**Proposed Amendment to 21 NCAC 46.2507 Concerning CPR Requirements for Vaccinating Pharmacists**

At the June 17, 2011 Board Meeting, the Board moved to pursue negotiations with the Medical Board on a possible rule change to 21 NCAC 46 .2507 Administration of Vaccines by Pharmacist. The amendment would allow pharmacists who are unable to perform CPR due to physical disability to vaccinate. Mr. Campbell presented a proposed rule change to .2507, which the Medical Board agreed to, that would allow a pharmacist who, because of physical disability, is unable obtain a current provider level CPR certification to administer vaccines in the presence of a pharmacy technician or pharmacist who holds a current provider level CPR certification. On a motion from Mrs. Chater, seconded by Mr. Marks with no dissenting votes, the Board moved to approve the proposed rule change and publish it for notice and comment.

**Inquiry Concerning Continuing Education Credit for Free Clinic Volunteers**

Board staff received an inquiry from a free clinic pharmacy who is now receiving co-pay payments as to whether pharmacists who volunteer there would still be eligible to receive continuing education credits since the clinic is no longer considered as a free clinic. After discussion, it was the consensus of the Board that Mr. Campbell and Director of Licensing Deborah Stump would take the matter under advisement and make a recommendation to the Board at a later date.
Financials/Fiscal Year 2011-2012 Budget Approval

Gail Brantley, Financial and Administrative Services Director, presented the June 2011 financial statistics to the Board. Ms. Brantley also presented the proposed budget for fiscal year 2011-2012.
