URGENT: VOLUNTARY DRUG RECALL

September 22, 2025

Quality Assurance Department
RC Outsourcing, LLC
102 E. Water Street
Lowellville, Ohio 44436

Dear _____:

This is to inform you of an urgent product recall involving:

Repackaged Avastin® (bevacizumab) Intravitreal Injection Solution

Lot Number	Beyond-Use-Date (BUD)
20250708-768A26	OCT-06-2025
20250715-944DF2	OCT-13-2025
20250722-55C603	OCT-20-2025
20250722-5DC113	OCT-20-2025

See enclosed product labels. This recall has been initiated due to the potential for loss of sterility assurance due to deficiencies in environmental and personnel monitoring. This may result in the inability to assure that the impacted products meet the identity, strength, quality, and purity characteristics that they are purported or represented to possess and may lead to products of unacceptable quality. **To date, RC Outsourcing has not received any reports of adverse events associated with these lots. All final quality testing results passed for Sterility, Endotoxin, Potency, and Sub-visual Particulate.** Corrective actions have been implemented to prevent such instances in the future and ensure the highest quality products are delivered to its customers.

RC Outsourcing began shipping this product on _____. Our records indicate that your office received _____ of _____ on _____.

Immediately examine your inventory and quarantine products subject to recall. Based on your response, RC Outsourcing will provide a UPS label regarding product return. Further instructions will be provided.

This recall should be carried out to the hospital/clinic level.

Please complete and return the enclosed response form as soon as possible.

If you have any questions, call the Quality Department at (330) 536-8500. Hours of operation are 8:00am – 4:30pm EST. Questions may also be emailed to qa@rcoutsourcing.com.

This recall is being made with the knowledge of the Food and Drug Administration.
